Dear Sirs

Thankyou for your recent communication and link to the Rule 8 letter outlining the request for written representations prior to the 15th June.

We would only wish to reiterate our request as set out as part of the on-line Pre Examination Consultation, in that we need to fully understand the reasons for, and extent of, the the plots of Girton College land identified as being subject to a Compulsory Purchase Order.

We would wish to be present at any hearing dealing with these issues.

Yours faithfully

John Gant  
College Surveyor
