Dear Sir or Madam

**A14 Cambridge to Huntingdon Improvement Scheme (TRO10018)**  
**Response to Planning Inspectorate: A14 Examination Deadline 2**  
**Interested Party unique reference number 10030495**

This submission constitutes formal advice from the Cambridgeshire Local Access Forum. The LAF understands that the Planning Inspectorate and also the Highways Agency is required, in accordance with section 94(5) of the Countryside and Rights of Way Act 2000, to have regard to relevant advice from this Forum in carrying out its functions.

### **Written Representation**

The Cambridgeshire LAF wishes that its Relevant Representation should be treated as also being its Written Representation.

### **The Examining Authority's first written questions**

The Cambridgeshire LAF does not propose to respond to the Examining Authority's first written questions. It notes though two questions that are directly relevant to its interests and are directed at the Applicant.

These are:

Q1.5.8: That refers to the Relevant Representation of the Cambridgeshire LAF.

Q1.12.19: That asks the Applicant to tabulate and categorise the measures which seek to address the needs of non-motorised users.

The Cambridgeshire LAF will consider the answers provided by the Applicant and may submit a response for Deadline 4.

### **Open Floor Hearings**

The Cambridgeshire LAF wishes to send a representative to speak at an Open Floor Hearing. Its representative is its Vice-Chairman, Dr Roger Buisson. He proposes to attend and speak at one of the two Open Floor Hearings to be held at Bar Hill on Tuesday 14<sup>th</sup> July (9.30am or 2pm). Due to conflicting prior-commitments that he is seeking to re-arrange he cannot yet be certain of which session he will attend. You will be kept informed.

### **Statement of Common Ground**

The Cambridgeshire LAF has been approached by Highways England to consider preparing a Statement of Common Ground. The Cambridgeshire LAF has not agreed to such a course of action and does not propose to participate in the preparation of a Statement of Common Ground.

LAF would be grateful to be kept informed of how its advice has been received and considered in due course.

Yours faithfully

Cambridgeshire Local Access Forum was set up by Cambridgeshire County Council as required by the Countryside and Rights of Way Act 2000, and its remit is to advise relevant bodies as defined in Section 94(4) of the Countryside and Rights of Way Act 2000 on matters relating to access to the countryside. Section 94(4) bodies are required by the legislation to take the views of the Local Access Forum into account, and the latest Guidance issued by The Secretary of State at the Department for Environment, Food and Rural Affairs lists the Planning Inspectorate as a Section 94(4) body.
