Dear Sirs,

A14 Cambridge to Huntingdon Improvement Scheme

I am writing on behalf of the above Residents Association. We live in a retirement complex adjacent to the current southbound carriageway of the AIM Motorway and are extremely concerned about the expected increase of traffic noise when the motorway is widened and the improvement scheme is completed. Highways England forecast of traffic flow shows an increase of 75% by 2020 (80500 daily movements).

I would like to take the opportunity to address the Examining Board at the Open Floor Hearing to be held at Brampton Community Centre on Tuesday 14th July.

Yours faithfully,

Eddie Baker
(Secretary)
