Dear Sirs

**Proposed A14 (Cambridge to Huntingdon Improvement) Development Consent Order ("the Application")
Planning Act 2008
Infrastructure Planning (Examination Procedure) Rules 2010
Our Client: Network Rail Infrastructure Limited ("Network Rail")
Unique Reference Number: 10031042**

We are writing in relation to Deadline 3 and the submission of a Statement of Common Ground between Highways England and Network Rail.

A Statement of Common Ground has been prepared by Highways England, however Network Rail is unable to sign up to it in its current form. We have sent comments to Highways England, who have informed us that the document has been locked for submission. We have therefore agreed with Highways England that our comments will be addressed in the next update of the document.

For the moment, however, we can confirm, however, that negotiations are ongoing in relation to the issues marked "Record of Areas still under discussion" in Section 5 of the document.

Yours faithfully

A handwritten signature in black ink that reads "Bond Dickinson LLP".
