Dear Nicholas,

Draft A14 Cambridge to Huntingdon Improvement Scheme Development Consent Order

Deadline 8 submissions and other documents

Please find enclosed the following documents in response to the Examining Authority's Rule 8 Letter dated 21 May 2015 and the amended timetable contained at Annex B of the Examining Authority's letter of 4 August 2015:

Applicant Document Reference Number	Description / Content
HE/A14/EX/121	Comments on responses to the ExA's second written questions and other deadline 7 submissions
HE/A14/EX/122	Statements of Common Ground Report Update – Deadline 8 – this update includes those SoCGs that have been finalised since the previous SoCG update issued at examination deadline 7, and it also includes some landowner SoCGs that have been updated since deadline 7.

Please also find enclosed the following documents:

Applicant Document Reference Number	Description / Content
HE/A14/EX/123	Environmental Statement Appendices, Appendix 20.2 - Code of construction practice update – updating the version submitted at examination deadline 4 (HA/A14/EX/64, PINS reference REP4-026). This update is referred to in our response to ExA's second written questions ref 2.2.6, 2.2.7, 2.2.12, 2.2.14, 2.2.18, 2.2.25, 2.2.26 (HE/A14/EX/81, PINS reference REP7-016) and question ref 2.5.11 (HE/A14/EX/83, PINS reference REP7-018).
HE/A14/EX/124	Environmental Statement Appendices, Appendix 20.2 - Code of construction practice update with mark-up
HE/A14/EX/125	Annex to the Soil Management Strategy – the Soil Management Strategy was originally submitted with the application in December 2014 as Environmental Statement Appendix 12.2 (Applicant reference 6.3, examination reference APP-702). This new Technical Annex is referred to in our response to ExA's first written questions ref 1.7.3 (HA/A14/EX/34, PINS reference REP2-08), and takes account of a request from Natural England for a detailed Soil Resources Plan to demonstrate how soil resources would be protected.

Applicant Document Reference Number	Description / Content
HE/A14/EX/126	Detailed review of applying IAN185/15 to the noise assessment for Cambridge Northern Bypass between Histon/Impington and Milton – this review was referred to in our response to ExA's first written questions ref 1.10.4 (HA/A14/EX/37, PINS reference REP2-011).
HE/A14/EX/127	Additional illustrative material for river Great Ouse and East Coast Main Line Crossings - referred to in our response to ExA's second written questions ref 2.9.3 (HE/A14/EX/87, PINS reference REP7-022).
HE/A14/EX/128	Response to Cambridgeshire County Council's submission on the widths of Public Rights of Way within the DCO and its Certified Plans – response to submission made by Cambridgeshire County Council at examination deadline 7 (PINS reference REP7-004).
HE/A14/EX/129	Position Statement on Further Noise Mitigation - this paper provides supporting evidence to the commitment set out in our response to ExA's second written questions ref 2.10.5 and 2.10.12 (HE/A14/EX/88, PINS reference REP7-023) to provide additional noise mitigation and explains the nature of that mitigation and the context in which it has come about.

I would be grateful if you would please acknowledge safe receipt of the enclosed documents.

Yours sincerely

John Rowland
