Subject: NSIP - A14 Cambridge to Huntingdon Improvement Scheme (Rule 9)

Dear A14 Cambridge to Huntingdon Improvement Scheme

HSE has considered your letter of 27 October regarding proposed non-material changes to the Application. We note that discussions are underway between Highways England and National Grid Gas with respect to the interaction between the new road scheme and the 3 pipelines identified in our original response and on that basis, have no further comments on this application.

Regards

Diane
