**Subject:** Deadline 14 Representation re Article 7 (HE/A14/EX/194)

Dear Mr Coombes,

On behalf of our clients Everdell and Lenton Farms we have noted the HE response contained in HE/A14/EX/194 relating to Article 7b.

On behalf of our above mentioned clients who are likely to be affected we would resist any change in wording to the published text. Our concerns specifically relate to borrow pits.

Within the HE Article 7 at para 3 there is reference to affected parties having a plan approval role, it is not clear whether this includes landowners. Paragraph 4 infers consultation with the Local Planning authority but no reference to landowners.

We shall be grateful if the ExA will consider the foregoing in the event that borrow pits are included within the DCO.

Yours sincerely,

Michael Alexander FRICS FAAV
