Dear Nicholas,

Draft A14 Cambridge to Huntingdon Improvement Scheme Development Consent Order

Deadline 15 submissions including Rule 17 letter response

Please find enclosed the following documents in response to the Examining Authority's Rule 8 Letter dated 21 May 2015, the amended timetable contained at Annex C of the Examining Authority's letter of 29 September 2015, and the Rule 17 Request for further information related to flooding and drainage matters dated 6 November 2015 (note the Rule 17 response is contained in document reference HE/A14/EX/264 as described below):

Applicant Document Reference Number	Description / Content
HE/A14/EX/249	Statements of Common Ground Report - Deadline 15 – includes Statements of Common Ground (SoCGs) finalised since Deadline 14 and additional information where SoCGs could not be finalised.
HE/A14/EX/250	Highways England's Comments on Deadline 14 Submissions
HE/A14/EX/251	Compulsory Acquisition Submission - Deadline 15 - provides responses to Deadline 14 submissions with relevance to compulsory acquisition matters and provides an update on on-going compulsory acquisition matters such as responses to comments on changes to the Scheme, and the latest position with statutory undertakers, legal agreements, the Crematorium and the impact of the revised Flood Risk Assessment on land take for the Scheme.
HE/A14/EX/252	Highways England's Further Comments on Joint Local Impact Report - this provides an update on our previous submissions HE/A14/EX/57 (PINS reference REP4-019) and HE/A14/EX/164 (PINS reference REP10-048), which in turn responded to the local authorities' original Joint Local Impact Report (PINS reference REP3-001) and Joint Local Impact Report Version 2 (PINS reference REP8-011).
HE/A14/EX/253	Draft Development Consent Order (Rev 6) – update to the version submitted at Deadline 13 (HE/A14/EX/192, PINS reference REP13-014) to reflect the conclusion of various discussions with stakeholders in respect of the protective provisions contained in Schedule 9 to the draft DCO, together with other minor amendments, including to the flood risk assessment requirement contained in Schedule 2 as a result of continuing discussions with the Environment Agency.
HE/A14/EX/254	Comparison between draft Development Consent Order (Rev 6) and draft Development Consent Order (Rev 4)

Applicant Document Reference Number	Description / Content
HE/A14/EX/255	Commentary on those aspects of the draft DCO discussed during the Examination – update to version submitted at Deadline 13 (HE/A14/EX/194, PINS reference REP13-016) to include the amendments made to both Rev 5 and Rev 6 of the draft DCO, together with commentary on other DCO-related issues which Highways England considers worth submitting to the Examining Authority at this stage of the examination.
HE/A14/EX/256	Commentary on those aspects of the draft DCO discussed during the Examination (marked-up version)
HE/A14/EX/257	Revised Explanatory Memorandum to the draft DCO (Rev 6) – update to version submitted at Deadline 13 (HE/A14/EX/195, PINS reference REP13-017) to reflect amendments made to the latest draft of the DCO.
HE/A14/EX/258	Revised Explanatory Memorandum to the draft DCO (Rev 6) (marked-up version)
HE/A14/EX/259	Updates to the National Policy Statement for National Networks Compliance Tracker – Deadline 15 – this updates the Case for the Scheme (Applicant reference HE/A14/EX/21, PINS reference APP-784) which appended the NPS Compliance Tracker, and supplements our submission Case for the Scheme: second update, update of compliance tracker relating to the National Policy Statement for National Networks - Deadline 9 (HE/A14/EX/144, PINS reference REP9-019) to reflect further compliance with the NPS demonstrated by submissions during the examination.
HE/A14/EX/260	Book of Reference Update – previously updated in HE/A14/EX/02, HE/A14/EX/100 and HE/A14/EX/226 (PINS references APP-764, REP7-035 and REP13-046), now updated to take account of comments received from Cambridgeshire County Council at Deadline 14 (REP14-008) together with some comments received from landowners.
HE/A14/EX/261	Book of Reference Update (marked-up version) - previously updated in HE/A14/EX/101 and HE/A14/EX/227 (PINS references REP7-036 and REP13-047).
HE/A14/EX/262	Environmental Statement Appendix 17.1 – Flood Risk Assessment – Update - update to version submitted at Deadline 14 (HE/A14/EX/237, PINS reference REP14-015) to incorporate minor comments made by the Environment Agency in their Deadline 14 submission (PINS reference REP14-025) and to reflect the discussions between the parties.
HE/A14/EX/263	Environmental Statement Appendix 17.1 – Flood Risk Assessment - Update (marked-up version) - update to version submitted at Deadline 14 (HE/A14/EX/238, PINS reference REP14-016).
HE/A14/EX/264	Flood Risk Assessment Position Statement including Rule 17 Letter Response - update to version submitted at Deadline 14 (HE/A14/EX/239, PINS reference REP14-017) following consideration of the Environment Agency's Deadline 14 submission (PINS reference REP14-025) and subsequent engagement; also includes our response to the ExA's Rule 17 Request for further information related to flooding and drainage matters dated 6 November 2015.
HE/A14/EX/265	Air Quality Monitoring Statement – update to our comments submitted at Deadline 13 (HE/A14/EX/211, PINS reference REP13-031) following the local authorities' Deadline 14 submission on Air Quality Monitoring and Mitigation (PINS reference REP14-009) and subsequent engagement.
HE/A14/EX/266	Written Scheme of Investigation: Archaeological Investigations – update to our Deadline 13 version (HE/A14/EX/231, PINS reference

Applicant Document Reference Number	Description / Content
	REP13-051) following consideration of Cambridgeshire County Council's comments in the Deadline 14 submission (REP14-008) and subsequent engagement.
HE/A14/EX/267	Updated Position Statement on De-Trunking, Traffic Monitoring and Mitigation – update to our Deadline 13 submission (HE/A14/EX/213, PINS reference REP13-033) to update the Examining Authority on the status of the legal agreement between Cambridgeshire County Council and Highways England.
HE/A14/EX/268	Summary Case of Highways England at Deadline 15 – this document draws on material already submitted to the Examination; it seeks concisely to identify the main issues as they appear to Highways England at Deadline 15 in the light of the material submitted by all parties to the Examination, including in particular where important matters appear still to be in issue.
HE/A14/EX/269	Update to Highways England's comments on Deadline 13 Submissions in connection with post construction noise monitoring - this provides an update to our previous submission HE/A14/EX/234 (PINS reference REP14-012) with respect to the drafting of the DCO requirement post construction noise monitoring in order to ensure any requirement aligns with the Post Opening Project Evaluation process.

I would be grateful if you would please acknowledge safe receipt of the enclosed documents.

Yours sincerely

John Rowland
Project Manager
