Subject: A14 Cambridge to Huntingdon Improvement Scheme: Consent Order for A14(M)
Date: 31 January 2019 16:07:08

Hello

**REPRESENTATION IN SUPPORT OF NON-MATERIAL CHANGE
TO A14 CAMBRIDGE TO HUNTINGDON IMPROVEMENT SCHEME**

My wife and I are residents of Bar Hill and fully support the designation of the section of the A14 from the Girton interchange to the junction with the A1(M) as a motorway, becoming the A14(M).

The A14 Improvement Scheme is providing excellent local roads (as well as our greatly improved Junction 29 at Bar Hill), which will provide entirely adequately for traffic that is not permitted on motorways as well as providing alternative routes to and from Bar Hill (and Longstanton and Northstowe). As a motorway the new A14(M) will be safer and provide a sensible continuous length of motorway from the M11 via the A14(M) to the A1(M), as well as making better provision for the traffic of the A14 from Felixstowe to the beginning of the M6 into Birmingham.
