Dear Mr Price.

Green Belt (London & Home Counties) Act 1938 (Local Act)  
S42(3) TCPA 1947 and S147 PA 2008.

Thankyou for your letter delivered on 15<sup>th</sup> January 2016.

I would like to attend the Compulsory Acquisition Meeting but on a different date to the 12<sup>th</sup> February 2016.

I am now aware that this hearing falls within the ambit of a separate Group Manager to Dr Lane.

I would draw to your attention to Vasey v UK. at the Lodge meeting with MS2 Ltd by Neil Caulfield the Clerk to the Private Bill Office. Mr Secretary. McLoughlin has informed my MP that I am specially and directly affected.

In order to avoid legal challenges, I would continue to opine that the aerodrome sited at Northolt Middlesex is the only land acceptable in exchange for. Lorries road, rail and runway in the vicinity of Harmondsworth. and Ives. I leave the matter in your capable hands.

Yours Cordially
