**Subject:** RE: M4 Junctions 3 to 12 Smart Motorway (TR010019) - Request for adequacy of consultation representation

Dear Richard and James

Thank you for your email regarding the above matter.

I have consulted our Assistant Director for Environment (Traffic & Transport) and our Assistant Director for Environment (Development & Streetscene), on this matter. They have advised that they received a notification that this scheme was being developed. However, no further action was considered necessary as the scheme was unlikely to have a significant impact on the London Borough of Richmond upon Thames (LBRUT). We therefore have no issues with the adequacy of the consultation.

I hope this helps. Please let me know if you require any further detail.

Kind regards

Alex
