Subject: Compulsory Aquistion Hearing 19 November 2015

Dear Sir/Madam

I am emailing to state that we have reviewed the agenda and in particular item 7 "Representations from Commercial Interests" We will not be attending the hearing but will let HE answer CEMEX's questions to the inspector with regards to 7bi and 7biii. In relation to 7bii CEMEX are satisfied with HE's response to RR rep 1-003. CEMEX would appreciate greater notification than 14 days of any temporary traffic management implementation etc along Riding Court Road in order that it can prepare its business operations in readiness.

Kind regards

Helen Hudson
