Dear Richard,

Many thanks for replying so promptly. If HE are in agreement we will work towards an 'officer level' version of the SoCG for submission on 26<sup>th</sup> November. However, we have already added in additional time for our Members to comment on the draft SoCG by 10<sup>th</sup> December so won't be able to provide the final document at least until then. I hope that is satisfactory for you.

Chris, please confirm that you are happy with the above approach.

Many thanks

Andrew

Dear Mr Chugg

Thank you for your email.

This information will most usefully be brought to the attention of the Examining Authority. To do this it must be treated as a submission to the forthcoming examination deadline on 26 November 2015.

I would be grateful if you would respond to confirm that you/WBC are happy for your email to be treated in this way.

Kind regards

Richard Price | National Infrastructure Case Manager

Dear PINS,

I have been working collaboratively with Highways England (HE) over the last 5 months on this project. WBC Officers have not attended the examination but have worked with HE on several iterations of our Statement of Common Ground. FYI we have agreed a target date of 10<sup>th</sup> December to submit the final SoCG.

Please confirm that is acceptable from your perspective.

Thanks
