Dear Sir/Madam

CONSENT ORDER 2016 9S.I 2016/863)

SECTION 153 OF THE PLANNING ACT 2008, REGULATION 7 OF THE INFRASTRUCTURE
PLANNING (CHANGES TO, AND REVOCATION OF, DEVELOPMENT CONSENT ORDERS)
REGULATIONS 2011 (AS AMENDED)

CONSULTATION ON AN APPLICATION TO MAKE A NON-MATERIAL CHANGE OF THE ABOVE
DEVELOPMENT CONSENT ORDER

Thank you for your notification received on the 28th April 2022 in respect of the above.

It is noted that this consultation relates to a non-material amendment to the approved DCO.
Having reviewed the route against our data it does not appear that there are any recorded coal
mining features present at surface or shallow depth in the area of the route. On this basis the Coal
Authority have no specific comments to make on the non-material amendments proposed.

Please do not hesitate to contact me should you wish to discuss this further.

Kind regards

Melanie
