Dear Sirs,

**M4 Junctions 3 to 12 Smart Motorway (TR10019)**

I write with reference to the letter dated 28 April 2022 to Southern Gas Networks PLC (SGN) regarding the consultation on the application to make a non-material change to the development consent order.

Providing the change will not affect the integrity and access to any of SGN's apparatus, or access to it, then SGN do not have any comments at this stage.

If there are likely to be some impact on SGN's apparatus or access to it, then further discussions will be required regarding reasonable protective measures.

Yours faithfully
