Dear Mr. Williams

## **Application by Highways England for an Order Granting Development Consent for the A19/A184 Testo's Junction Improvement Project**

### **Deadline 3 Submissions**

I am writing to you on behalf of South Tyneside Council and please find enclosed our Deadline 3 submissions.

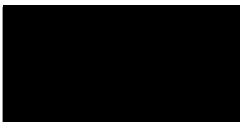

This comprises our comments on the ExA's Written Questions (ExQ1) where Deadline 3 applies and I also attach copies of the transport related publications referred to in our Local Impact Report, which were orally requested by the ExA during ISH2 to be submitted. These comprise of the Council Strategy and the Highway Asset Management Plan which will be sent electronically.

We have considered the various Written Representations submitted at Deadline 2 and do not wish to provide any free-standing comments upon these. However, it should be noted that some of these are referred to in our attached ExQ1 responses.

An updated Statement of Comment Ground between Highways England and South Tyneside Council will be submitted to the ExA by Highways England at Deadline 3. This will include responding to one of the action points issued by the ExA at ISH2.

If you have any further queries regarding this letter or wish to discuss this matter in more detail, please contact me on 0191 424 7666 or by email [trevor.male@southtyneside.gov.uk](mailto:trevor.male@southtyneside.gov.uk).

Yours sincerely
