Dear Sir / Madam,

### **Application by Highways England for an Order Granting Development Consent for the A19/A184 Testo's Junction Improvement Project**

#### **Deadline 6 Submission**

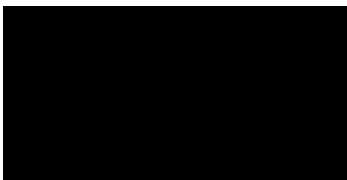

I am writing to you on behalf of South Tyneside Council and please find enclosed our Deadline 6 submissions for the above project.

- In respect to the applicant's submission on Air Quality and the Client Earth Litigation, the Council agrees with the Applicant's submissions on this matter (see paragraph 6.7 of their letter to PINS dated 9 March 2018 and submitted at Deadline 5).
- The drafting of the proposed side agreement between the applicant and the Council has now been agreed, but at the time of submitting this letter; that agreement is still to be signed / executed by the Parties.

Given the above (and following discussions with the applicant), there is not considered to be any need to submit a revised SoCG.

If you have any further queries regarding this letter or wish to discuss this matter in more detail, please contact Trevor Male on 0191 424 7666 or by email [Trevor.male@southtyneside.gov.uk](mailto:Trevor.male@southtyneside.gov.uk).

Yours sincerely

George Mansbridge  
Head of Development Services
