Dear Mr Williams

Proposed A19/A184 Testos Junction Improvement Development Consent Order - Applicant's Submissions in Advance of Deadline 7

Further to the Applicant's letter of 15 March 2018 and South Tyneside's (the Council) letter of the same date which were submitted at Deadline 6, please take this letter as confirmation that that the side agreement between the Applicant and the Council has now been executed and completed.

The Applicant also confirms that it has no further submissions to make in accordance with the Examination Timetable and that the final Statement of Common Ground between the Applicant and the Council was the version submitted at Deadline 3.
