Subject: A19 / A184 Testos Junction Improvement - draft DCO (TR010020)
Date: 05 April 2018 08:37:51

Good morning Emré,

Following the end of the examination of the A19 Testos Junction improvement scheme, we have noticed that the dDCO submitted for Deadline 5 (document reference TR010020/APP/3.1(5)) has two minor typographical errors in Schedule 10 (schedule of certified documents).

In particular, the table in Schedule 10 should refer to :

- I. TR010020/APP/4.3(2) and Revision 2 for the Book of Reference; and
- II. TR010020/APP/2.4(2) and Revision 2 for the Works Plans.

Should you require, we are able to provide an updated dDCO to this effect but thought as the examination has closed, it would be better to draw this to your attention so it can be noted as being required to be amended in the Examining Authority's Report.

Please do let me know how you wish to proceed.

Kind regards,

Andrew Scatchard – Project Support
