Dear Sirs

Silvertown Tunnel DCO
Our client: Trinity (D) Limited

We continue to act for Trinity (D) Limited ("**Trinity D**") in connection with the application made by Transport for London ("**TfL**") for a development consent order in respect of the proposed Silvertown Tunnel scheme ("**the Scheme**").

Trinity D notes TfL's submission to the Examination dated 2 December 2016 indicates that TfL proposes to change the Scheme in order to facilitate the delivery of replacement car parking spaces for visitors to the O₂ Arena ("**the Proposed Change**"). Trinity D awaits further details of the Proposed Change. Trinity D has received assurances from TfL that it will be able to participate in negotiations in relation to the Proposed Change.

Accordingly, Trinity D does not propose to make submissions at the Compulsory Acquisition Hearing on 8 December 2016. However, Trinity D reserves its right to make further representations to the Examining Authority, and maintains its representations of 30 August 2016 and 15 November 2016 in relation to the Scheme.

Yours faithfully

Dear Sirs

Silvertown Tunnel DCO
Our client: Trinity (D) Limited

We write in response to Action Point 6 arising from the Compulsory Acquisition Hearing of 8 December 2016.

As set out in Trinity D's written representation of 15 November 2016, Trinity D has an interest in Scheme land by way of a 999-year leasehold easement allowing Trinity D to use land ("the **Car Parking Land**") for the parking of 2,000 vehicles by visitors to and customers of the O2 Arena and others authorised by Trinity D.

From our review of the submitted land plans, we understand that the Car Parking Land includes land within the following plot numbers. We note that the plot numbers identified in bold and italic type below are not shown in the table attached to the Compulsory Acquisition Hearing agenda as plots in which Trinity D is interested.
