Subject: Noise/pollution barriers for Invicta Rd
Date: 10 December 2016 23:13:24

Dear team,

As a mum of 2 small boys and class rep for Invicta School, I would just like state my full support for the proposal to put up noise/pollution barriers extending from Siebert to Invicta Rd.

I very much hope that health of our young children and other neighbours will help sway you in making making the right decision.

Best regards, Dr Kat Warren
