Dear Sir/Madam,

It has been brought to my attention that several noise and pollution barriers are planned for the Blackwall Tunnel approach, but that they do not stretch as far as my street.

Given that pollution levels here, when last measured, are over double the recommended EU level, I believe that there's a strong case to be made for increasing the amount of wall you plan to erect to cover Invicta Road - not only for the residents, but for the many small children who play outside at Invicta Primary.

Kind regards,

Mr W Humphrey & Mrs K Humphrey [REDACTED]
