

1. ERROR IN APPLICATION DOCUMENT

1.1 Outline Business Case (APP-100)

1.1.1 The applicant has note a minor error in the Outline Business Case application document. The off-peak user charges shown in table 3-1 (Assessed charge per trip in 2014/15 prices) are incorrect. The following off-peak charges, as set out in the Charging Statement (document ref: 7.5), should be substituted.

Charge per trip in 2015 prices (during charging hours: 6 am to 10 pm)			
User type	Account holder		Non account holder
Charge rates	Off peak charge	Peak charge	Headline charge
Time	Weekdays outside of peak period and all times on weekend	Weekday peak periods between 6-10am going Northbound and 4-7 pm going Southbound	At all times
Motorcycle, moped, motor tricycle	£1.00	£2.00	£3.00
Car and small van	£1.00	£3.00	£4.00
Large van	£1.65	£5.00	£6.00
HGVs	£4.00	£7.50	£8.50
Bus ,Coach and minibus	Zero charge (100% discount)		

1.1.2 The applicant notes that the correct off-peak charges have been used when assessing the transport impacts of the Scheme, so this error in the Outline Business Case does not affect the actual assessment which has been carried out by the applicant.
