

Planning Act 2008 (as amended)

TR010021 - Application by Transport for London for an Order Granting Development Consent for the Silvertown Tunnel Project

Action Points arising from the Compulsory Acquisition Hearing (CAH) held at the ExCeL London, Royal Victoria Dock on **20.01.2017**

Action	Party	Deadline
Published: 20.01.2017		
1	TfL (the Applicant)	27 January 2017 (Deadline 3)
<p>Provide details of the publication of the proposed changes that will take place, even though Compulsory Acquisition (CA) Regulations are not triggered.</p> <p>The Panel considers that this is important in order to comply with the Wheatcroft Principles¹ specifically because of the structure proposed in Non-Material Change 5 for the decked car park and recommends that all changes are advertised to raise awareness to them.</p>		
2	Environmental Agency &	
Further to oral representation from Brenntag, who are
