Dear Derek

**PLANNING ACT 2008 – SECTION 47
A38 DERBY JUNCTIONS - STATEMENT OF COMMUNITY CONSULTATION**

I am writing with regard to the A38 Derby Junctions scheme, which is a Nationally Significant Infrastructure Project (NSIP).

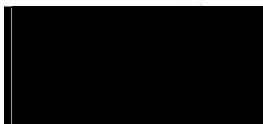

As you may be aware, Highways England, as the applicant for a Development Consent Order for the scheme, has a duty to consult the local community at the pre-application stage. Before undertaking consultation, the applicant is required to prepare a Statement of Community Consultation (SoCC) setting out how consultation will be undertaken in accordance with Section 47 (1) of the Planning Act 2008.

Section 47(2) and Section 47(3) of the Planning Act 2008 require applicants to consult those local authorities that have the scheme within their area for a period of 28 days, beginning the day after the day on which the SoCC is received.

Accordingly, please find enclosed the draft SoCC for your consideration. We would welcome your formal comments on the content of the SoCC no later than **23 July 2018**.

If you wish to discuss matters further, please do not hesitate to contact me.

Yours sincerely
