Dear Sir/Madam

Planning Act 2008 (as amended) – Section 55

Application by Highways England for an Order Granting Development Consent for the A38 Derby Junctions

You asked by letter dated 23 April for my feedback whether my Authority considers that the developer has complied, in relation to the application, with the following duties:

Duty to consult – Planning Act 2008 (as amended) (PA2008) – section 42
Duty to consult the local community - PA2008 – section 47
Duty to publicise - PA2008 – section 48

I would confirm that my understanding is that these provisions have been met. Both councillors, public and officers have attended public meetings held by the HE and I know they have gone out of their way to consult Sutton Turner Housing who will be directly affected by the Markeaton junction. I am satisfied that the necessary public consultation has been undertaken.

Regards
