

## Application by Highways England for an Order Granting Development Consent for the A38 Derby Junctions Scheme The Examining Authority's (ExA) Record of their First and Second Unaccompanied Site Inspections

The ExA undertook the inspection by car and on foot on public roads and public rights of way. The routes were planned having regard to the applicant's environmental statement and enabled the ExA to obtain views of the application site and surrounding area.

Viewpoint (VP) locations are as indicated on figures 7.1A and 7.1B of the application.

Date	Time	VP	Weather Conditions	Location / Route
