**Subject:** Issue Specific Hearing Environment Agency Attendance

Hello,

The Environment Agency is in receipt of the Rules 14,16 and 17 letter that was published on the 12<sup>th</sup> November on the A38 website. The Environment Agency has been invited to attend both the Issue specific hearings on the 11<sup>th</sup> and the 12<sup>th</sup>. Based on the topics to be discussed on the 11<sup>th</sup>, the Environment Agency doesn't believe it is necessary to attend on this date. I note that a floodplain compensation area is mentioned but that this within the respect of its impact upon the Outstanding Universal Value of the Derwent Valley Mills WHS, which is not something for the EA to consider. If there is a particular matter that the Inspector feels the EA would be able to answer regarding this query, we would be happy to answer this via a written response.

Regarding the hearing on the 12<sup>th</sup>, the Environment Agency are happy to attend to discuss the matters within our remit. We look forward to receiving a more detailed agenda with further information that is due to be published on the 3<sup>rd</sup> December 2019.

Please contact me further if you would like further information.

Kind Regards,  
Joe Drewry

Planning Specialist

Sustainable Places – East Midlands
