Dear Sirs,

I write to confirm that Network Rail will not be attending the forthcoming A38 DCO Hearings on 10 and 11 December 2019.

In relation to Network Rail's objection, Network Rail acknowledges that the current Protective Provisions for their benefit which are set out in Part 4 of Schedule 9 of the draft DCO [REP2-007] include provisions whereby compulsory acquisition powers may only be exercised over Network Rail's land with Network Rail's consent (paragraph 32). The Protective Provisions (as a whole) however remain subject to negotiation between the Applicant and Network Rail along with other agreements and, until such time, as all matters are resolved to Network Rail's satisfaction, Network Rail's objection remains in place.

Regards
Julia
