Dear Sir/Madam,
Further to my e mail below I would like to add that the representations that have been made by Breadsall Parish Council regarding the A38 Little Eaton junction proposals are fully endorsed by myself and as such they have my full support and can be viewed as voicing my views also. Please contact me if you need to discuss.
Thanks

Thank you for the invitation to the Issue Specific Hearing 2 on the 11th December however I am unable to attend due to currently working abroad . If you require any further information from me in advance please advise.

regards,
