1 Hedgerows within the Order Limits

1.1 The ExA has asked Highways England to identify any hedgerows within the Order Limits that are subject to protection under the Hedgerows Regulations 1997 (question 56b of the ISH2). The figures in Appendix A provide details of hedgerows within the Order Limits, including the identification of which hedgerows would be retained and lost due to the Scheme (plus details of hedgerow ecological and cultural heritage interest).
