1 INTRODUCTION

1.1 Purpose of this Document

- 1.1.1 During CAH2 the ExA requested that Highways England provide an update on the S135 Consent required from the Crown for the CA of land at the East Midlands Reserve Forces and Cadets Association site. Highways England reported an update that DIO (Defence Infrastructure Organisation) had provided written confirmation that authority of consent could be agreed locally by the Estates Manager. The enclosed document provides written confirmation of this.
