NOTICE OF HEARINGS RELATING TO THE A38 DERBY JUNCTIONS DEVELOPMENT CONSENT ORDER

PLANNING INSPECTORATE REFERENCE: TR010022

NOTICE IS HEREBY GIVEN that, at the dates, times and location set out below issue specific and compulsory acquisition hearings will be held by the Examining Authority (appointed by the Secretary of State for Communities and Local Government) for the examination of the application made by Highways England for a Development Consent Order ("the DCO") for the A38 Derby Junctions ("the Application").

The Application was made to the Secretary of State for Communities and Local Government (via the Planning Inspectorate) under sections Section 14, 22 and 37 of the Planning Act 2008 on 23 April 2019 and was accepted by the Planning Inspectorate for examination on 21 May 2019. The Application has been given the Planning Inspectorate reference number **TR010022**.

SUMMARY OF THE SCHEME

The Application seeks development consent for the A38 Derby Junctions in the East Midlands region, located within the administrative areas of Derby City Council, Derbyshire County Council and Erewash Borough Council ("the Scheme").

The main aspects of the Scheme comprise:

- A comprehensive upgrade to the capacity of the A38 in Derby;
- The creation of three new grade separated junctions at the three existing roundabouts junctions at the A38/A5111 at Kingsway, the A38/A52 at Markeaton and the A38/A61 at Little Eaton; and
- Road widening in either direction (from 2 lanes to 3 lanes) between Kingsway Junction and Kedleston Road junction.

If the DCO is made by the Secretary of State for Transport, it would allow Highways England, for the purpose of constructing, operating and maintaining the Scheme, to acquire compulsorily interests in and rights over land, including the power to create and acquire new rights over land, and to take possession of and to use land temporarily.
