Application by Highways England for an Order Granting Development Consent for the A38 Derby Junctions project

Request for Further Information

Issue Specific Hearing 5 and Compulsory Acquisition Hearing 3 scheduled for 19 March 2020 were postponed in light of the current public health situation surrounding coronavirus (COVID-19).

Further to those postponements we now request written responses to further written questions. These are published to the project website at:

The further written questions are largely matters that were included in the agendas for the postponed hearings [EV-022] or in our schedule of changes to the draft Development Consent Order [PD-017] that were published to the project website on Thursday 12 March 2020. The further written questions are directed to specified parties, but responses will also be accepted from other Interested Parties and, subject to our discretion, other parties.

Responses are requested by **Deadline 9, on Thursday 26 March 2020.**

Any comments on the responses are requested by **Deadline 10, on Thursday 2 April 2020.**

Updates to the Examination timetable will be announced in due course. In the meantime, please visit the project website regularly for further updates on the Examination:
