Dear James Bunten

Here is a map showing the extent of Markeaton Park at the time the restrictive covenant was set up.

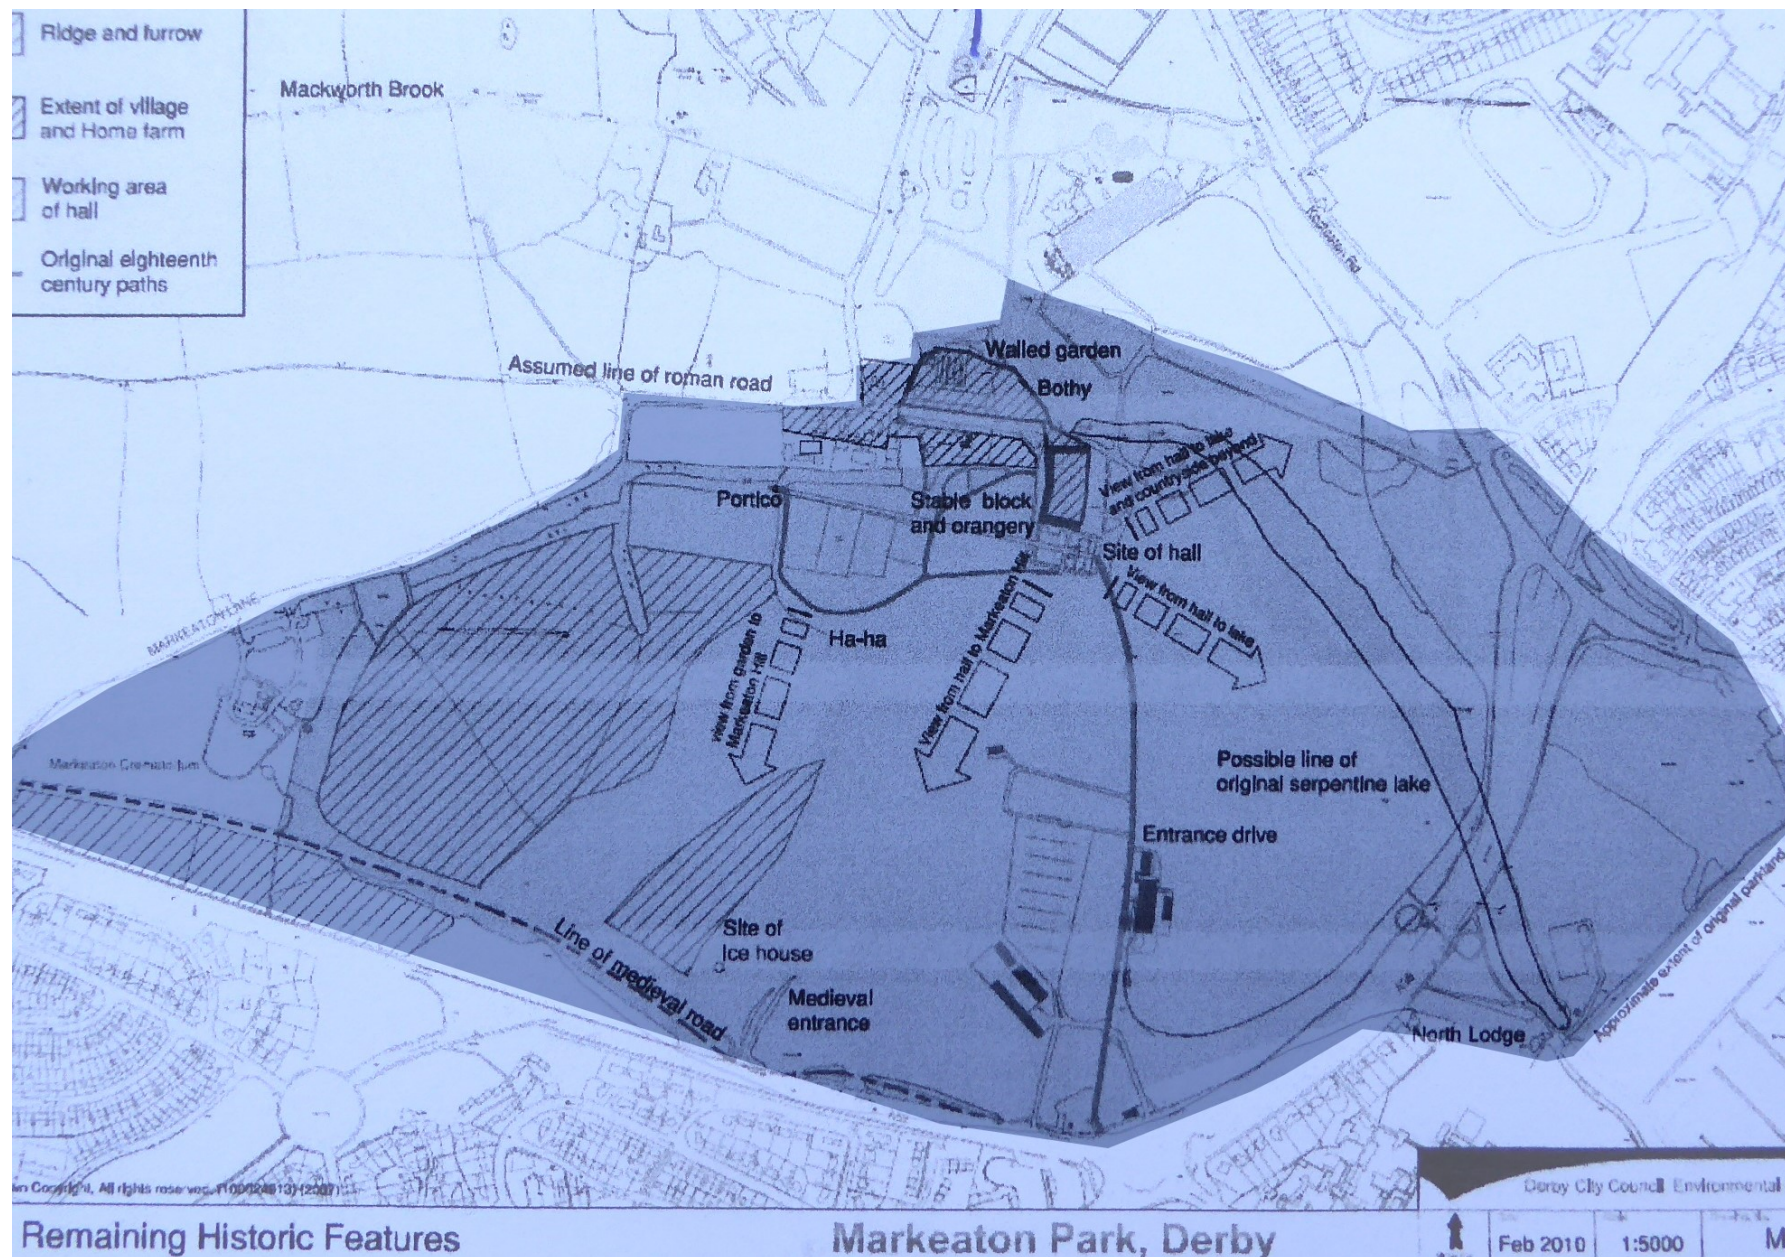

The dual carriageway Queensway is superimposed over the covenanted land.

The map was prepared by Derby City Council February 2010 to support the bid to the Heritage Lottery Fund.

[REDACTED] author of history books on Markeaton, brought [REDACTED] to meetings of Friends of Markeaton Brook and to the founding meetings of Friends of Markeaton Park fifteen years ago. I was privileged to be invited to the Stones to pore over maps with [REDACTED]
[REDACTED]

May I discuss my limited knowledge with the Examiner by private email? before representing Friends of Markeaton Park in public?

kind regards Anne Morgan
