Dear Sir/ Madam

## **The Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010**

### **Application by Highways England for an Order Granting Development Consent for the A38 Derby Junctions project**

#### **Correction of Recent Communications**

It has come to our attention that some of the links in our communications of 27 May 2020 have not always been working properly. We apologise for any inconvenience this may have caused. However, the links have since been corrected and now work properly. The affected communications were:

- the letters headed 'Agendas and detailed arrangements for Hearings' and 'Arrangements for use of Microsoft Teams';
- the email with a subject title of 'TR010022 - A38 Derby Junctions highway improvement scheme' that provided notification of the issue of the letters; and
- the hard copy notification of the letters.

The 'Agendas and detailed arrangements for Hearings' letter included:

- Details of the request to notify us if you wish to speak at a Compulsory Acquisition Hearing or Issue Specific Hearing but you have not yet been invited to. The deadline for that notification is now extended to **12.00pm on 8 June 2020**.
- Details of the Test Event that was held on 3 June 2020. If you were not able to participate in the Test Event and require further help and guidance on joining the Hearings, then please contact the Case Team by **12.00pm on 8 June 2020**.

The links to the letters from the project website have all been working properly.

Please send notifications of a wish to speak at a Hearing, requests for further help and guidance, or any other queries regarding this letter to the Case Team, using the email address or telephone number at the top of this letter.

Yours faithfully

*Stuart Cowperthwaite*
