25 June 2020

Dear Tracey,

Submission made by Highways England pursuant to Deadline 15 of the Examination of the A38 Derby Junctions Development Consent Order Application

Please find below a list of documents that form Highways England's submission for Deadline 15 of the Examination of the A38 Derby Junctions Scheme. This information is submitted in accordance with the confirmed Examination Timetable received in the Rule 8(3) letter dated 03 April 2020.

This submission comprises the following documents:

- An updated **Guide to the Application** (Document Reference 8.2(n));
- An updated **draft Development Consent Order** (Document Reference 3.1(h));
- **Draft DCO Validation Report** (Validation Report for Document Reference 3.1(h));
- Schedule of changes to the **draft Development Consent Order** (Document Reference 8.31(g));
- Comparison of updated **draft Development Consent Order** (Document Reference 8.34(h));
- Applicant's **Responses to Information or Submissions Received by Deadline 14** (Document Reference 8.119)
- A **Statement on the Protective Provisions for the Statutory Undertakers** (Document Reference 8.120)

The documents have been submitted in PDF format. Where requested by the Examining Authority, or in the circumstance where it is considered to add to the clarity of the submission both a clean and tracked change version is supplied.

In respect of the list of documents referred to above, where needed and particularly for documents that have not been requested by the ExA, further explanation is provided within the document as to its purpose and the reason for the submission.

In respect of the DCO and associated documents submitted at this deadline, Highways England has provided this because the Protective Provisions agreed with Network Rail (as confirmed by both parties to the Examining Authority at Deadline 14) were not included in the Deadline 14 version of the DCO. As such, to address this and to provide the Examining Authority with the most up to date version of the DCO, Highways England considers it will assist the Examination to have the most up to date versions available.

I trust that the content of this letter is clear, but please do not hesitate to get in touch, if you would like to discuss matters further.

Yours sincerely

Chris Archbold
