EXTERNAL EMAIL

Hi Stephen,

Thank you for your email below.

Having reviewed the SoS's letter, reference in the DCO should be to Western Power Distribution (East Midlands) plc (company number 02366923) in accordance with the Agreement entered into between our respective clients in relation to this DCO. I agree with your comments below and am happy for you to confirm to the SoS that this should be amended accordingly to refer to the correct company.

Please let me know if you need anything further from me.

Regards,

Subject: A38 DCO Application [BURGES-WORK.FID8959218]

This Message originated from outside your organisation.

Dear Sarah,

I hope all is well with you.

I write following receipt of the attached letter from the Secretary of State (SoS) regarding the A38 DCO application. You may have already received a copy of this direct as it notes that it has been sent to you.

One point Highways England and WPD has been asked to clarify is contained in the letter under the heading "Article 10(4)(a)". Essentially, I think this is a simple typo in the DCO. We meant to include Western Power Distribution (East Midlands) PLC instead of just 'Western Power Distribution'. We also meant to include WPD East Midlands's company number, which is 02366923, and seem to have got this wrong too.

As you know, WPD East Midlands entered into the side agreement with Highways England and it is included as the relevant body that owns land referenced to in the Book of Reference (which details who owns the relevant land in the area).

As such, I am going to confirm to the SoS that it should be WPD East Midlands referred to in the DCO. I would be grateful if you could please confirm that you agree with this.

We have to respond to the SoS before 17 November and I suggest that I simply include a copy of this email and your response with the letter we are going to submit to the SoS before that deadline. This means you won't need to provide a separate confirmation to the SoS. Hopefully that makes your life easier!

Please let me know if you would like to discuss any of this.

Kind regards

Stephen
