Dear Sir/Madam

**A38 DERBY JUNCTIONS SCHEME, PINS REF: TR010022**

**APPLICANT'S RESPONSE TO SECRETARY OF STATE LETTER- 2 AUGUST 2021**

Please find enclosed a document providing the Applicant's response to the queries raised in the Secretary of State's letter dated 2 August 2021.

The name of the Applicant on the Development Consent Order application is Highways England. As you may be aware, on 19 August 2021 the announcement was made that Highways England will be changing its name to National Highways. We are now in a transition period as measures are put in place to make this change. However, at the present time for the purposes of this application we are still using the name Highways England and there has been no change to contact details or how we should be referred to in documentation. We will provide further updates on this in due course.

Yours sincerely

**Phil Boffey**
