Dear Ms Kopala,

The A38 Derby Junctions Development Consent Order Case Ref: TR010022

Thank you for your letter 29 October 2021 querying the inclusion Figure A.4 at page 26 of National Highways submission of 31 August in relation to the above proposed Order.

We can confirm the inclusion of this flood risk map was erroneous and should be ignored. There is no replacement map for Figure A.4 as this drawing applied to another scheme and flood risk was not an issue raised in the Secretary of State's Statement of Matters 2 August.

If you have any further questions about our response, please do not hesitate to contact the project team directly A38derbyjunctions@highwaysengland.co.uk however we trust this clarifies matters.

Yours sincerely

Phil Boffey
