Section 47 Notice

SECTION 47 OF THE PLANNING ACT 2008**PROPOSED LAKE LOTHING THIRD CROSSING, LOWESTOFT****PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER****NOTICE OF PUBLICATION OF STATEMENT OF COMMUNITY CONSULTATION**

Notice is hereby given that **SUFFOLK COUNTY COUNCIL** of Endeavour House, 8 Russell Road, Ipswich, Suffolk, IP1 2BX intends to make an application under section 37 of the Planning Act 2008 to the Secretary of State for Transport for a Development Consent Order ("the Proposed Application") to authorise the construction, operation and maintenance of a new bascule bridge highway crossing of Lake Lothing in Lowestoft, Suffolk known as the Lake Lothing Third Crossing, Lowestoft, Suffolk ("the Project").

If constructed, the Project would comprise of the following:

- A new single carriageway road crossing of Lake Lothing, consisting of a multi-span bridge which comprises:
 - an opening bascule bridge over Lake Lothing, in the Port of Lowestoft,
 - a bridge over the East Suffolk Line, and reinforced earth embankment joining that bridge to the C971 Peto Way between Rotterdam Road and Barnards Way;
 - a bridge over the northern end of Riverside Road providing access to existing commercial property, and
 - a reinforced earth embankment following the alignment of Riverside Road to a remodelled junction with the B1531 Waveney Drive;
- The closure of Durban Road at its junction with Waveney Drive
- A new access road from Waveney Drive west of Riverside Road to provide access to existing property at Riverside Business Park that would otherwise become inaccessible due to changes in level on Riverside Road;
- Dedicated provision for cyclists and pedestrians which ties into existing networks;
- Associated changes, modifications and/or improvements to the existing local highway network as informed by traffic modelling*;
- Works to facilitate the construction of the above elements including:
 - Creation of temporary construction sites and accesses from the public highway;
 - Provision of new utilities and services and the diversion of existing utilities; and
 - Provision of drainage, lighting and landscaping; and
- Such ancillary, incidental and consequential changes and/or improvements as are required and permitted

The Secretary of State has directed that the Project and associated matters be treated as a project of national significance for the purposes of the Planning Act 2008 requiring a Development Consent Order (DCO) to construct, operate and maintain the Project.

Suffolk County Council has prepared a Statement of Community Consultation (SoCC) in respect of the proposed application which can be inspected at the places on the dates and times set out below.

Suffolk County Council has a duty under section 47 of the Planning Act 2008 to consult the local community about its proposed application in accordance with its SoCC. The SoCC sets out how Suffolk County Council will consult with the local community about the proposed application for the Lake Lothing Third Crossing.

The consultation will take place between **Monday 4 September 2017 and 23.59 on Monday 16 October 2017**. Details of the consultation, the consultation events that are to be held and how to get involved are set out in the SoCC.

The Project is an 'EIA Development' for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009, as applied by Regulation 37(2)(a) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Suffolk County Council is therefore required to carry out an environmental impact assessment and submit an Environmental Statement with the Proposed Application containing information about the likely significant effects of the Project on the Environment. Information currently available about the likely significant environmental impacts of the Project is set out in the Preliminary Environmental Information Report (PEIR), its technical appendices and the non-technical summary of the PEIR, which will form part of the consultation documents and the SoCC sets out how the PEIR, its technical appendices and the non-technical summary of the PEIR will be made available to view and comment on.

The SoCC may be viewed, free of charge:

SECTION 47 OF THE PLANNING ACT 2008 PROPOSED LAKE LOTHING THIRD CROSSING, LOWESTOFT NOTICE OF PUBLICATION OF STATEMENT OF COMMUNITY CONSULTATION

Notice is hereby given that SUFFOLK COUNTY COUNCIL, of Endeavour House, 8 Russell Road, Ipswich, Suffolk IP1 2BX intends to make an application under section 47 of the Planning Act 2008 to the Secretary of State for Transport for a Development Consent Order (the "Proposed Application") to authorise the construction, operation and maintenance of a new bascule bridge highway crossing of Lake Lothing in Lowestoft, Suffolk known as the Lake Lothing Third Crossing, Lowestoft, Suffolk (the "Project").
If constructed, the Project would comprise of the following:
• a new single carriageway road crossing of Lake Lothing, consisting of a multi-span bridge which comprises:
• an opening bascule bridge over Lake Lothing in the Port of Lowestoft;
• a bridge over the East Suffolk Line, and reinforced earth embankment joining that bridge to the C571 Peto Way between Rotterdam Road and Barnards Way;
• a bridge over the northern end of Riverside Road providing access to existing commercial property, and
• a reinforced earth embankment following the alignment of Riverside Road to a remodelled junction with the B1531 Waveney Drive;
• the closure of Durban Road at its junction with Waveney Drive
• a new access road from Waveney Drive west of Riverside Road to provide access to existing property at Riverside Business Park that would otherwise become inaccessible due to changes in level on Riverside Road.
• dedicated provision for cyclists and pedestrians which fits into existing networks;
• associated changes, modifications and/or improvements to the existing local highway network as informed by traffic modelling;
• works to facilitate the construction of the above elements including:
• creation of temporary construction sites and accesses from the public highway;
• provision of drainage, lighting and landscaping; and
• such ancillary, incidental and consequential changes and/or improvements as are required and permitted.
The Secretary of State has directed that the Project and associated matters be treated as a project of national significance for the purposes of the Planning Act 2008 requiring a Development Consent Order (DCO) to construct, operate and maintain the Project. Suffolk County Council has prepared a Statement of Community Consultation (SoCC) in respect of the proposed application which can be inspected at the offices on the dates and times set out below.
Suffolk County Council has a duty under section 47 of the Planning Act 2008 to consult the local community about its proposed application in accordance with the SoCC. The SoCC sets out how Suffolk County Council will consult with the local community about the proposed application for the Lake Lothing Third Crossing. The consultation will take place between Monday 4 September 2017 and 23.59 on Monday 16 October 2017. Details of the consultation, the consultation events that are to be held and how to get involved are set out in the SoCC.
The Project is an "IA Development" for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009, as applied by Regulation 37(2)(a) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Suffolk County Council is therefore required to carry out an environmental impact assessment and submit an Environmental Statement with the Proposed Application containing information about the likely significant effects of the Project on the Environment. Information currently available about the likely significant environmental impacts of the Project is set out in the Preliminary Environmental Information Report (PEIR), its technical appendices and the non-technical summary of the PEIR, which will form part of the consultation documents and the SoCC, sets out how the PEIR, its technical appendices and the non-technical summary of the PEIR will be made available to view and comment on.
The SoCC may be viewed, free of charge:
1. at the project website: www.suffolk.gov.uk/like/lothing3rdcrossing from 18 August 2017; and
2. at the Depot Locations on the dates and times set out below from 18 August 2017 (opening days and times may be subject to change):

PROPOSED LAKE LOTHING THIRD CROSSING, LOWESTOFT

NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT
CONSENT ORDER

Notice is hereby given that SUFFOLK COUNTY COUNCIL of Endeavour House, 8 Russell Road, Ipswich, Suffolk, IP1 2BX intends to make an application under section 37 of the Planning Act 2008 to the Secretary of State for Transport for a Development Consent Order ("the Proposed Application") to authorise the construction, operation and maintenance of a new bascule bridge highway crossing of Lake Lothing in Lowestoft, Suffolk known as the Lake Lothing Third Crossing, Lowestoft, Suffolk ("the Project"). If constructed, the Project will be located in Lowestoft within Waveney District in the County of Suffolk.

If constructed, the Project would comprise of the following:

- A new single carriageway road crossing of Lake Lothing, consisting of a multi-span bridge which comprises:
 - an opening bascule bridge over Lake Lothing, in the Port of Lowestoft,
 - a bridge over the East Suffolk Line, and reinforced earth embankment joining that bridge to the C971 Peto Way between Rotterdam Road and Barnards Way;
 - a bridge over the northern end of Riverside Road providing access to existing commercial property, and
 - a reinforced earth embankment following the alignment of Riverside Road to a remodelled junction with the B1531 Waveney Drive;
- The closure of Durban Road at its junction with Waveney Drive
- A new access road from Waveney Drive west of Riverside Road to provide access to existing property at Riverside Business Park that would otherwise become inaccessible due to changes in level on Riverside Road;
- Dedicated provision for cyclists and pedestrians which ties into existing networks;
- Associated changes, modifications and/or improvements to the existing local highway network as informed by traffic modelling;
- Works to facilitate the construction of the above elements including:
 - Creation of temporary construction sites and accesses from the public highway;
 - Provision of new utilities and services and the diversion of existing utilities; and
 - Provision of drainage, lighting and landscaping; and
- Such ancillary, incidental and consequential changes and/or improvements as are required and permitted

The Proposed Application may also seek authorisation for the compulsory acquisition of interests in and rights over land, the temporary use of land and the overriding of easements and other rights in connection with land.

Consultation Documents

Suffolk County Council is consulting on the Proposed Application and has prepared a series of Consultation Documents, including a Consultation Brochure, Consultation Leaflet, Design Process Summary Document and Questions & Answers.

Environmental Information

The Project is an 'EIA Development' for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009, as applied by Regulation 37(2)(a) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Suffolk County Council is therefore required to carry out an environmental impact assessment and submit an Environmental Statement with the Proposed Application containing information about the likely significant effects of the Project on the Environment. Information currently available about the likely significant environmental impacts of the Project is set out for the consultation in the Preliminary Environmental Information Report (PEIR), its technical appendices and the Non-Technical Summary of the PEIR.

PEIR and Consultation Documents

The PEIR, its Non-Technical Summary and other Consultation Documents showing the nature and location of the Project can be inspected free of charge during the consultation period between Monday 4 September 2017 and 23.59 on Monday 16 October 2017:

PUBLIC NOTICES AND TENDERS

REGULATION 4 OF THE INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2009 PROPOSED LAKE LOTHING THIRD CROSSING, LOWESTOFT

NOTICE PUBLISHING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER
Notice is hereby given that SUFFOLK COUNTY COUNCIL, of Endeavour House, 8 Russell Road, Ipswich, Suffolk IP1 2BX intends to make an application under section 37 of the Planning Act 2008 to the Secretary of State for Transport for a Development Consent Order ("the Proposed Application") to authorise the construction, operation and maintenance of a new bascule bridge highway crossing of Lake Lothing in Lowestoft, Suffolk known as the Lake Lothing Third Crossing, Lowestoft, Suffolk ("the Project"). If constructed, the Project will be located in Lowestoft within Waveney District in the County of Suffolk.

- If constructed, the Project would comprise of the following:
- a new single carriageway road crossing of Lake Lothing, consisting of a multi-span bridge which comprises:
 - an opening bascule bridge over Lake Lothing, in the Port of Lowestoft;
 - a bridge over the East Suffolk Line, and reinforced earth embankment joining that bridge to the C071 Peto Way between Rotterdam Road and Barnards Way;
 - a bridge over the northern end of Riverside Road providing access to existing commercial property; and
 - a reinforced earth embankment following the alignment of Riverside Road to a remodelled junction with the B1531 Waveney Drive;
 - the closure of Dutton Road at its junction with Waveney Drive
 - a new access road from Waveney Drive west of Riverside Road to provide access to existing property at Riverside Business Park that would otherwise become inaccessible due to changes in level on Riverside Road;
 - dedicated provision for cyclists and pedestrians which ties into existing networks;
 - associated changes, modifications and/or improvements to the existing local highway network as informed by traffic modelling;
 - works to facilitate the construction of the above elements including:
 - creation of temporary construction sites and accesses from the public highway;
 - provision of new utilities and services and the diversion of existing utilities; and
 - provision of drainage, lighting and landscaping; and
 - such ancillary, incidental and consequential changes and/or improvements as are required and permitted.
- The Proposed Application may also seek authorisation for the compulsory acquisition of interests in and rights over land, the temporary use of land and the extending of easements and other rights in connection with land.

Consultation Documents
Suffolk County Council is consulting on the Proposed Application and has prepared a series of Consultation Documents, including a Consultation Brochure, Consultation Leaflet, Design Process Summary Document and Questions & Answers.

Environmental Information
The Project is an "EA Development" for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009, as applied by Regulation 37(2)(a) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Suffolk County Council is therefore required to carry out an environmental impact assessment and submit an Environmental Statement with the Proposed Application containing information about the likely significant effects of the Project on the Environment. Information currently available about the likely significant environmental impacts of the Project is set out in the consultation in the Preliminary Environmental Information Report (PEIR), its technical appendices and the Non-Technical Summary of the PEIR.

SECTION 47 OF THE PLANNING ACT 2008 PROPOSED LAKE LOTHING THIRD CROSSING, LOWESTOFT NOTICE OF PUBLICATION OF STATEMENT OF COMMUNITY CONSULTATION

Notice is hereby given that SUFFOLK COUNTY COUNCIL, of Endeavour House, 8 Russell Road, Ipswich, Suffolk IP1 2BX intends to make an application under section 37 of the Planning Act 2008 to the Secretary of State for Transport for a Development Consent Order ("the Proposed Application") to authorise the construction, operation and maintenance of a new bascule bridge highway crossing of Lake Lothing in Lowestoft, Suffolk known as the Lake Lothing Third Crossing, Lowestoft, Suffolk ("the Project").

- If constructed, the Project would comprise of the following:
- a new single carriageway road crossing of Lake Lothing, consisting of a multi-span bridge which comprises:
 - an opening bascule bridge over Lake Lothing, in the Port of Lowestoft;
 - a bridge over the East Suffolk Line, and reinforced earth embankment joining that bridge to the C071 Peto Way between Rotterdam Road and Barnards Way;
 - a bridge over the northern end of Riverside Road providing access to existing commercial property; and
 - a reinforced earth embankment following the alignment of Riverside Road to a remodelled junction with the B1531 Waveney Drive;
 - the closure of Dutton Road at its junction with Waveney Drive
 - a new access road from Waveney Drive west of Riverside Road to provide access to existing property at Riverside Business Park that would otherwise become inaccessible due to changes in level on Riverside Road;
 - dedicated provision for cyclists and pedestrians which ties into existing networks;
 - associated changes, modifications and/or improvements to the existing local highway network as informed by traffic modelling;
 - works to facilitate the construction of the above elements including:
 - creation of temporary construction sites and accesses from the public highway;
 - provision of new utilities and services and the diversion of existing utilities; and
 - provision of drainage, lighting and landscaping; and
 - such ancillary, incidental and consequential changes and/or improvements as are required and permitted.
- The Secretary of State has directed that the Project and associated matters be treated as a project of national significance for the purposes of the Planning Act 2008 requiring a Development Consent Order (DCO) to construct, operate and maintain the Project.

Suffolk County Council has prepared a Statement of Community Consultation (SCCC) in respect of the proposed application which can be inspected at the places on the dates and times set out below.

Suffolk County Council has a duty under section 47 of the Planning Act 2008 to consult the local community about its proposed application in accordance with its SCCC. The SCCC sets out how Suffolk County Council will consult with the local community about the proposed application for the Lake Lothing Third Crossing. The consultation will take place between Monday 4 September 2017 and 23.59 on Monday 16 October 2017. Details of the consultation, the consultation events that are to be held and how to get involved are set out in the SCCC.

The Project is an "EA Development" for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009, as applied by Regulation 37(2)(a) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Suffolk County Council is therefore required to carry out an environmental impact assessment and submit an Environmental Statement with the Proposed Application containing information about the likely significant effects of the Project on the Environment. Information currently available about the likely significant environmental impacts of the Project is set out in the Preliminary Environmental Information Report (PEIR), its technical appendices and the non-technical summary of the PEIR, which will form part of the consultation documents and the SCCC sets out how the PEIR, its technical appendices and the non-technical summary of the PEIR will be made available to view and comment on.

DEVELOPMENT CONSENT ORDERS AND TENDERS

SECTION 48 OF THE PLANNING ACT 2008 REGULATION 4 OF THE INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2009 PROPOSED LAKE LOTHING THIRD CROSSING, LOWESTOFT NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER

Notice is hereby given that SUFFOLK COUNTY COUNCIL of Endeavour House, 8 Russell Road, Ipswich, Suffolk IP1 2BX intends to make an application under section 37 of the Planning Act 2008 to the Secretary of State for Transport for a Development Consent Order ("the Proposed Application") to authorise the construction, operation and maintenance of a new bascule bridge highway crossing of Lake Lothing in Lowestoft, Suffolk known as the Lake Lothing Third Crossing, Lowestoft, Suffolk ("the Project"). If constructed, the Project will be located in Lowestoft within Waveney District in the County of Suffolk. If constructed, the Project would comprise of the following:

- a new single carriageway road crossing of Lake Lothing, consisting of a multi-span bridge which comprises:
 - an opening bascule bridge over Lake Lothing, in the Port of Lowestoft,
 - a bridge over the East Suffolk Line, and reinforced earth embankment joining that bridge to the C971 Peto Way between Rotterdam Road and Barnards Way,
 - a bridge over the northern end of Riverside Road providing access to existing commercial property, and
 - a reinforced earth embankment following the alignment of Riverside Road to a remodelled junction with the B1531 Waveney Drive;
 - the closure of Dunham Road at its junction with Waveney Drive
 - a new access road from Waveney Drive west of Riverside Road to provide access to existing property at Riverside Business Park that would otherwise become inaccessible due to changes in level on Riverside Road;
 - dedicated provision for cyclists and pedestrians which ties into existing networks;
 - associated changes, modifications and/or improvements to the existing local highway network as informed by traffic modelling;
 - works to facilitate the construction of the above elements including:
 - creation of temporary construction sites and accesses from the public highway;
 - provision of new utilities and services and the diversion of existing utilities; and
 - provision of drainage, lighting and landscaping; and
 - such ancillary, incidental and consequential changes and/or improvements as are required and permitted
- The Proposed Application may also seek authorisation for the compulsory acquisition of interests in and rights over land, the temporary use of land and the overriding of easements and other rights in connection with land.

Consultation Documents
Suffolk County Council is consulting on the Proposed Application and has prepared a series of Consultation Documents, including a Consultation Brochure, Consultation Leaflet, Design Process Summary Document and Questions & Answers.

Environmental Information
The Project is an 'EIA Development' for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009, as applied by Regulation 37(2)(a) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Suffolk County Council is therefore required to carry out an environmental impact assessment and submit an Environmental Statement with the Proposed Application containing information about the likely significant effects of the Project on the Environment. Information currently available about the likely significant environmental impacts of the Project is set out for the consultation in the Preliminary Environmental Information Report (PEIR), its technical appendices and the Non-Technical Summary of the PEIR.

PEIR and Consultation Documents

SUFFOLK COUNTY COUNCIL
SECTION 48 OF THE PLANNING ACT 2008
REGULATION 4 OF THE INFRASTRUCTURE PLANNING
(APPLICATIONS: PRESCRIBED FORMS AND PROCEDURE)
REGULATIONS 2009

PROPOSED LAKE LOTHING THIRD CROSSING, LOWESTOFT
NOTICE PUBLICISING A PROPOSED APPLICATION FOR A
DEVELOPMENT CONSENT ORDER

Notice is hereby given that SUFFOLK COUNTY COUNCIL of Endeavour House, 8 Russell Road, Ipswich, Suffolk, IP1 2BX intends to make an application under section 37 of the Planning Act 2008 to the Secretary of State for Transport for a Development Consent Order ("the Proposed Application") to authorise the construction, operation and maintenance of a new bascule bridge highway crossing of Lake Lothing in Lowestoft, Suffolk known as the Lake Lothing Third Crossing, Lowestoft, Suffolk ("the Project"). If constructed, the Project will be located in Lowestoft within Waveney District in the County of Suffolk.

If constructed, the Project would comprise of the following:

- A new single carriageway road crossing of Lake Lothing, consisting of a multi-span bridge which comprises:
 - o an opening bascule bridge over Lake Lothing, in the Port of Lowestoft;
 - o a bridge over the East Suffolk Line, and reinforced earth embankment joining that bridge to the C971 Peto Way between Rotterdam Road and Barnards Way;
 - o a bridge over the northern end of Riverside Road providing access to existing commercial property, and
 - o a reinforced earth embankment following the alignment of Riverside Road to a remodelled junction with the B1531 Waveney Drive;
- The closure of Durban Road at its junction with Waveney Drive
- A new access road from Waveney Drive west of Riverside Road to provide access to existing property at Riverside Business Park that would otherwise become inaccessible due to changes in level on Riverside Road;
- Dedicated provision for cyclists and pedestrians which ties into existing networks;
- Associated changes, modifications and/or improvements to the existing local highway network as informed by traffic modelling;
- Works to facilitate the construction of the above elements including:
 - o Creation of temporary construction sites and accesses from the public highway;
 - o Provision of new utilities and services and the diversion of existing utilities; and
 - o Provision of drainage, lighting and landscaping; and
- Such ancillary, incidental and consequential changes and/or improvements as are required and permitted

The Proposed Application may also seek authorisation for the compulsory acquisition of interests in and rights over land, the temporary use of land and the overriding of easements and other rights in connection with land.

Consultation Documents

Suffolk County Council is consulting on the Proposed Application and has prepared a series of Consultation Documents, including a Consultation Brochure, Consultation Leaflet, Design Process Summary Document and Questions & Answers.

Environmental Information

The Project is an 'EIA Development' for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009, as applied by Regulation 37(2)(a) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Suffolk County Council is therefore required to carry out an environmental impact assessment and submit an Environmental Statement with the Proposed Application containing information about the likely significant effects of the Project on the Environment. Information currently available about the likely significant environmental impacts of the Project is set out for the consultation in the Preliminary Environmental Information Report (PEIR), its technical appendices and the Non-Technical Summary of the PEIR.

PEIR and Consultation Documents

The PEIR, its Non-Technical Summary and other Consultation Documents showing the nature and location of the Project can be inspected free of charge during the consultation period between Monday 4 September 2017 and 23.59 on Monday 16 October 2017:

Public Notices

REGULATION 4 OF THE INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2009

SECTION 48 OF THE PLANNING ACT 2008

NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER

Notice is hereby given that SUFFOLK COUNTY COUNCIL of Enbassur House, 8 Russell Road, Ipswich, Suffolk IP1 2BX, intends to make an application under section 37 of the Planning Act 2008 to the Secretary of State for Transport for a Development Consent Order ("the Proposed Application") to authorise the construction, operation and maintenance of a new cascade bridge crossing of Lake Lothing in Lowestoft, Suffolk (referred to as the Lake Lothing Third Crossing, Lowestoft, Suffolk ("the Project")). If constructed, the Project will be located in Lowestoft within Waveney District in the County of Suffolk.

The Project would comprise of the following:

- a new single carriageway road crossing of Lake Lothing, consisting of a multi-span bridge which comprises:
 - an opening bicycle bridge over Lake Lothing, in the Part of Lowestoft;
 - a bridge over the East Suffolk Line, see restricted access embankment piling that bridge to the C971 Path Way between Redestam Road and Barnards Way;
 - a bridge over the northern end of Riverside Road providing access to existing commercial property, and
 - the closure of Darnley Road at its junction with Riverside Road to a remodelled junction with the B1531 Waveney Drive;
- a new access road from Waveney Drive west of Riverside Road to provide access to existing property at Riverside Business Park that would otherwise become inaccessible due to changes in uses on Riverside Road;
- dedicated provision for cyclists and pedestrians which link into existing networks;
- associated changes, modifications and/or improvements to the existing local highway network as informed by traffic modelling;
- measures to facilitate the construction of the above elements including:
 - creation of temporary construction sites and accesses from the public highway;
 - provision of new utilities and services and the diversion of existing utilities; and
 - provision of drainage, lighting and landscaping.

such ancillary, incidental and consequential changes and/or improvements as are required and permitted.

The Proposed Application may also seek authorisation for the compulsory acquisition of interests in and rights over land, the temporary use of land and the borrowing of easements and other rights in connection with land.

Consultation Documents
Suffolk County Council is consulting on the Proposed Application and has prepared a series of Consultation Documents, including a Consultation Brochure, Consultation Leaflet, Design Process Summary Document and Questions & Answers.

Environmental Information
The Project is an "EA Development" for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009, as applied by Regulation 37(2)(a) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Suffolk County Council is therefore required to carry out an environmental impact assessment and submit an Environmental Statement with the Proposed Application containing information about the likely significant effects of the Project on the Environment. Information currently available about the likely significant environmental impacts of the Project is set out in the consultation in the Infrastructure Environmental Information Report (EIR), its technical appendices and the Non-Technical Summary of the EIR.

To order Consultation Documents in hard copy from Suffolk County Council, please use the contact details at the end of this notice. A charge of £10 will be made for a copy of the FEIR.

Responding to the Consultation
Any person may respond to the consultation. The Consultation Documents and a Questionnaire set out the specific topics on which Suffolk County Council is seeking feedback in relation to the Project and the Proposed Application. Consultees are not restricted, however, to commenting only on these topics. Responses can be made in writing in the following ways:

- by completing the Questionnaire online on the project website: www.suffolk.gov.uk/lakeathing3rdcrossing
- by email to lakeathing3rdcrossing@suffolk.gov.uk or
- by writing to L3X3 Consultation Team, Freeport RT11L-CACE BCTR, PO Box 73943 (Lake Lothing), London EC4P 4BN.

The deadline for receipt of responses is 23.59 on Monday 19 October 2017.

Responses received will be used in the consultation responses in connection with the consultation, the Proposed Application and the Project. Responses may be made publicly available but personal details, if provided, will be kept confidential.
