- NOTES:**
- These Land Plans should be read in conjunction with the other plans and documents in the Development Consent Order application, in particular the Book of Reference.
  - All easements, servitudes and private rights are proposed to be extinguished on land that is to be acquired, unless stated otherwise.
  - The numbers relate to plot numbers. Please refer to the Book of Reference for more information about these plots, including the approximate area of each plot (in square metres).
  - Plot numbers include a reference to the relevant sheet of the Land Plans. In this numbering convention, a plot number comprises the sheet number followed by the actual plot number e.g. Plot 2-05 - where "2" is the sheet number (sheet 2) and "05" is the plot number (plot 5 on sheet 2).
  - The colour of a plot provides an initial indication of the purpose for which the land in a plot is required - please refer to the key.
