Dear [REDACTED]

### **Lake Lothing Third Crossing – Statement of Community Consultation**

Thank you for inviting our input into the updated Statement of Community Consultation (SoCC) which was received by us on the 7 March 2017. In accordance with the statutory requirement to respond within 28 days to that request, this letter constitutes the formal response of both Suffolk County Council and Waveney District Council.

The SoCC is very similar to that which we have seen in draft and commented on previously.

The SoCC states that Suffolk County Council is committed to carrying out in-depth consultation and considering all the feedback received. The time scale proposed indicates that there should be a decent interval of time between consultation and submission this is welcomed.

Suggested amendments:

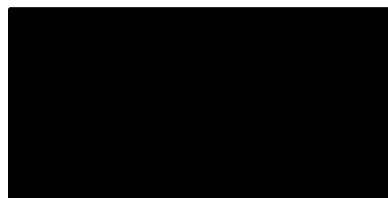

- Paragraph 20 - should set out where specifically the consultation will be advertised as discussed in our meeting of 20th February 2017 (slide12).
- Paragraph 21 - we would like to see a non-technical summary provided for the Preliminary Environmental Information Report as discussed in our meeting of 20<sup>th</sup> February 2017.
- Paragraph 26 - should mention that a charge would be made for photocopying.

Subject to confirmation of these amendments, we would be happy to support the SoCC as drafted.

Yours sincerely,

**Head of Planning**  
Suffolk County Council

**Chief Executive**  
Waveney and Suffolk Coastal District  
Councils
