Dear Sir/Madam

**Lowestoft Lake Lothing Third Crossing Consultation**

**4 September – 16 October**

I am writing to you to let you know that Suffolk County Council will be launching a consultation for the Lake Lothing Third Crossing on the 4 September and I want to encourage you to have your say on the proposals.

Please find enclosed a consultation leaflet which provides you with lots of helpful information about the consultation, including details about the consultation events where you can come along and speak to a member of the team.

You may be aware that Suffolk County Council has been developing the proposals for the Third Crossing since the project received a funding commitment from central government in early 2016. Although there has been previous consultation, this six week consultation is a statutory requirement, which is part of the planning process, so it is essential that we receive as many responses as possible.

This is an important and exciting point in the development of the project and major step forward in the delivery of a much-needed piece of infrastructure for Lowestoft and the Eastern Region.

I would ask you to please take a few minutes to read the proposals and fill out a questionnaire. You can do this online at [www.suffolk.gov.uk/lakelothing3rdcrossing](http://www.suffolk.gov.uk/lakelothing3rdcrossing) or alternatively pick up a questionnaire at one of the events or locations detailed in the leaflet.

We look forward to hearing from you.

Kind Regards

Councillor Colin Noble  
Leader of Suffolk County Council
