Subject: Lake Lothing DCO - Deadline 10 Submission - Northumbrian Water Limited [BCLP-Legal.2021584.000017]

Dear Sirs,

Interested Party Reference Number: **LLTC-AFP055**
Northumbrian Water Limited

We write on behalf of Northumbrian Water Limited (NWL). At the Issue Specific Hearing on the draft DCO held on Tuesday 14 May 2019, the Applicant (SCC) noted that an agreement in principle had been reached with NWL and that both parties would seek to conclude this agreement prior to today's deadline. In addition, SCC confirmed that a further minor amendment would be made to Requirement 12 of the draft DCO to include a requirement for the performance reviews to be carried in 2027 and 2037.

NWL has continued to work with SCC, but as of today, this has not yet been concluded. It is still anticipated that this will conclude prior to the end of the DCO Examination, but until that is confirmed, NWL would note that the outstanding concerns raised in its previous written representations remain valid and should be taken into consideration by the Examining Authority as part of their consideration of the application.

We will seek to provide an update to the Examining Authority as soon as possible, and in any event as part of any final submissions at Deadline 11.

Yours faithfully,

ROBERT GOWING
