Dear Sir/ Madam,

**PLANNING ACT 2008
APPLICATION FOR A DEVELOPMENT CONSENT ORDER FOR THE PROPOSED
A19 DOWNHILL LANE JUNCTION IMPROVEMENT SCHEME
HIGHWAYS ENGLAND - APPLICATION REFERENCE: TR010024**

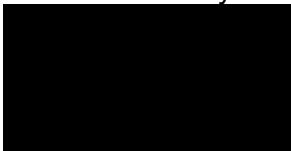

Please find attached an updated draft Development Consent Order (**Application Document Reference: TR010024/APP/3.1(1)**) and Explanatory Memorandum (**Application Document Reference: TR010024/APP/3.2(1)**). We have provided clean and tracked changes versions of both documents.

As these are new “versions” of the aforementioned documents, we also enclose an updated Application Document Tracker (**Application Document Reference: TR010024/APP/1.4**).

These updated documents have been provided following section 51 advice from the Inspectorate; Schedule 5 has been removed as there is no land in which Highways England is acquiring rights only. For clarity, the land shown in blue on the Land Plans is dealt with under Article 36 (i.e., the amendment of the A19/A184 Testo’s Junction Alteration Development Consent Order 2018) and this is explained in the Revised Plans, Drawings and Sections for the A19/A184 Testo’s Junction Alteration Scheme document (**Application Document Reference: TR010024/APP/7.5**).

We will provide an updated validation report for the Inspectorate prior to the Preliminary Meeting but thought it prudent to provide you with the enclosed prior to the commencement of the relevant representation period.

Yours sincerely

Kristina Fielding
