Dear Mr Razaq, Mr Iqbal, and Mr Marley,

Further to our recent correspondence, we wish to confirm the relationship between yourselves (as joint land owners of the land north of Nissan, A1290 Sunderland) and Town End Farm Partnership.

In order to pre-empt questions from the Examining Authority, we would be grateful if you could confirm that:

- i. The relevant representation submitted by Town End Farm Development Limited should have been submitted on behalf of Town End Farm Partnership (an unregistered partnership made up of you three individuals).
- ii. The land is held by you three individuals in your capacity as Town End Farm Partnership.
- iii. You are content for Mr Peter Razaq to negotiate on your behalf and represent Town End Farm Partnership.

If this is correct, I would be grateful if you could countersign this letter to confirm. Please note we may share this letter with the Planning Inspectorate to clarify matters if necessary.

Please let me know if you'd like to discuss.

Yours sincerely,

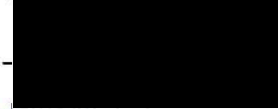

Kristina Fielding
