Dear Sir/Madam

**PLANNING ACT 2008
HIGHWAYS ENGLAND (“THE APPLICANT”)
APPLICATION FOR AN ORDER GRANTING DEVELOPMENT CONSENT FOR THE PROPOSED
A19 DOWNHILL LANE JUNCTION SCHEME (“THE DLJ SCHEME”)
APPLICATION REFERENCE: TR010024**

Further to the request for further information and the amended examination timetable in the Examining Authority’s (the “ExA’s”) Rule 8(3) letter dated 20 December 2019, this letter sets out matters regarding the above application which the ExA requested be submitted for Deadline 8 (7 January 2020).

Applicant’s Response to Request for Further Information

Please find enclosed the Applicant’s Response to Request for Further Information under Rule 17 of the Examination Procedure Rules (**TR010024/APP/7.23**). The Applicant appreciates that the measures necessary to integrate non-motorised user provision under the DLJ Scheme with the A19/A184 Testo’s Junction Scheme are complicated, and the Applicant has sought to provide as much clarification as possible.

As this new document is enclosed, we also enclose an updated “Application Document Tracker” (**TR010024/APP/1.4(9)**).

We trust these documents address all outstanding issues.

Yours faithfully
