Subject: PRE18/0893 A303 Amesbury to Berwick Down - request for Adequacy of Consultation Representation

Dear Mr Price

Request for Adequacy of Consultation Representation

We note the request of 19th October to confirm whether this authority considers that the developer has complied, in relation to the application, with the following duties:

1. Duty to consult – Planning Act 2008 (PA2008) – section 42
2. Duty to consult the local community - PA2008 – section 47
3. Duty to publicise - PA2008 – section 48

South Gloucestershire Council have been consulted in accordance with the pre-application procedure (section 42 and associated section 43) of the Planning Act 2008 as a neighbouring authority with a shared boundary.

Local communities within South Gloucestershire have not been consulted as part of the pre-application procedure, as that consultation has been wholly within Wiltshire with the accepted rationale described within Section 3.3 (Preparation of the Statement of Community Consultation) of the Consultation Report of October 2018.

The duty to publicise under section 48 of the planning act of 2008 is noted within Section 3.7 of the Consultation Report, including national and local (to the scheme) newspapers.

In conclusion we confirm that in our opinion the developer has adequately complied with its consultation requirements under the pre-application procedures of the Planning Act of 2008.

Kind Regards

Myles
