Dear Sirs ,

I can confirm that my client or I on his behalf wish to speak at both a Compulsory Acquisition Hearing and an Open Floor Hearing in connection with the A303 Stonehenge Scheme.

As the owner of Park Farm West Amesbury I currently have access points directly to the existing A303. The published proposals does not give me access to A303 and the farm machinery required to run my business cannot physically fit through Amesbury Town Centre . There should therefore be an Issue Specific Hearing to resolve this point as two years worth of making this point to Highways England has not brought about a resolution .

My client also believes that the intended closure of Stonehenge Road as proposed also warrants an Issue Specific Hearing as its intended closure point beyond Park Farm should be moved to the junction with the Woodford Valley road , to avoid potential public order offences being carried out on Stonehenge Road to its point of intended closure.

Yours faithfully
